Even since Dr. Wm. M. Giles, of 451 Sixth avenue, extended a frank invitation to owners of lame horses to bring their equine property round to his place of business for free treatment, the corner of Twenty-seventh street and Sixth avenue has come to resemble a horse fair. A valuable horse of the writer's was kicked on the hock. Swelling and lameness ensued, rendering the animal nearly worthless. We were advised to try Giles' Linimon, and are gratified to say it acted like a charm. About two inches of bone came away, the sore healed up, and the lameness and swelling are fast disappearing.
